

Curriculum Vitae

SAAD A. AL-HARBI

BDS, MSci, FAGD, FICOI, MIPS

PROSTHODONTICS & IMPLANT DENTISTRY

Retal Clinic, Jeddah, KSA

P. O. Box 126242, Jeddah 21352, K.S.A

Telephone # 966-2-652-2999.

Fax # 966-2-653-2609.

E-mail: amharbi@hotmail.com

EDUCATION

- 2003-2006 University of Texas Health Science Center
San Antonio, Texas, USA.
Master of Science in Clinical Investigation of Prosthodontics.
- 2003-2005 University of Texas Health Science Center
San Antonio, Texas, USA.
Fellowship of Implant Dentistry.
- 2002-2005 University of Texas Health Science Center
San Antonio, Texas, USA.
Fellowship of Prosthodontics.
- 2002-2003 University of Texas Health Science Center
San Antonio, Texas, USA.
Preceptorship in Dental Implantology.
- 2001-2002 Texas A & M University
Dallas, Texas, USA.
Certificate, Advanced Education in General Dentistry.
- 2000-2001 King Faisal Specialist Hospital and Research Center
Jeddah, Saudi Arabia.
General Practice Residency.
- 1993-1998 Faculty of Dentistry, King Abdulaziz University
Jeddah, KSA.
BACHELOR OF DENTAL MEDICINE AND SURGERY
(Egregia cum laude)

SAAD A. AL-HARBI
BDS, MSci, FAGD, FICOI, MIPS

PROSTHODONTICS & IMPLANT DENTISTRY
Retal Clinic, Jeddah, KSA

EDUCATION

- 2006 The Judson C. Hickey scientific writing award, The Journal of prosthetic Dentistry, USA.
- 2006 Fellowship, Academy of General Dentistry, USA.
- 2004 Master of Implant Prosthodontics, American College of Implant Prosthodontics.
- 2004 Fellowship, International Congress of Oral Implantology.
- 1998 First Honor Degree (Graduating first on class & keeping an a cumulative A+ grades), King Abdulaziz University.
- 1998 Scientific Excellency Award, Faculty of Dentistry, KAU.
- 1998 Award of Appreciation for Outstanding Dedication and Scientific Achievement, Deanship of Student Affairs, KAU.
- 1997 Scientific Excellency Award, Faculty of Dentistry, KAU.
- 1997 Award of Appreciation for Outstanding Dedication and Scientific Achievement, Deanship of Student Affairs, KAU.
- 1996 Scientific Excellency Award, Faculty of Dentistry, KAU.
- 1996 Award of Appreciation for Outstanding Dedication and Scientific Achievement, Deanship of Student Affairs KAU.
- 1995 Scientific Excellency Award, Faculty of Dentistry, KAU.
- 1995 Award of Appreciation for Outstanding Dedication and Scientific Achievement, Deanship of Student Affairs KAU.
- 1994 Scientific Excellency Award, Faculty of Dentistry, KAU.

SAAD A. AL-HARBI

BDS, MSci, FAGD, FICOI, MIPS

PROSTHODONTICS & IMPLANT DENTISTRY

Retal Clinic, Jeddah, KSA

PROFESSIONAL EXPERIENCE:

- Feb.2006 - present Full time private practice related to Prosthodontic & Implant Dentistry, Retal Clinic, Jeddah, Saudi Arabia.
- Feb.2005 - Feb.2006 Associate Consultant of prosthetic and Implant Dentistry, KFSH&RC/ Private Practice, Retal Clinic, Jeddah, Saudi Arabia.
- Feb.2005 - present Research Associate, University of Texas Health Science Center, San Antonio, Texas, USA.
- 2000-2000 Coordinator, Community Dental Health KFSH&RC.

PROFESSIONAL AFFILIATION

- 2006- Present Member, European Association for Osseointegration.
- 2002- Present Active Member Academy of Osseointegration
- 2001- Present Master, American College of Implant Prosthodontics.
- 2001- Present Member, AMERICAN DENTAL ASSOCIATION.
- 1999- Present Fellow, ACADEMY OF GENERAL DENTISTRY.
- 1998- Present Member SAUDI DENTAL SOCIETY.

SAAD A. AL-HARBI

BDS, MSci, FAGD, FICOI, MIPS

PROSTHODONTICS & IMPLANT DENTISTRY

Retal Clinic, Jeddah, KSA

JOURNAL REVIEW

- June, 2006- Present Reviewer, General Dentistry Journal.
Academy of General Dentistry, Chicago, IL, USA
- July, 2008- present Reviewer, International Journal of oral
maxillofacial implants.
Academy of Osseointegration, Chicago, IL, USA

PUBLICATIONS

Articles in international peer-reviewed scientific journals:

1. Al-Harbi SA. Non-surgical Management of Inter-Dental Papilla Associated with Multiple Maxillary Anterior Implants: A clinical report. J Prosthet Dent 2005; 93:212-6.
2. Al-Harbi SA. A modified bur for improve access to the implant analogue on the solid stone cast. J Prosthet Dent 2005; 93:495-6.
3. Al-Harbi SA. Milled Bar Implant Supported Mandibular Overdenture with Locator Attachments: Clinical considerations and laboratory techniques. Int Dent 2006; 8 (6):62-68.
4. Al-Harbi SA, Verrett RG. Fabrication of a Stable Surgical Guide Template Utilizing Staged Tooth Extraction for Immediate Implant Placement. J Prosthet Dent 2005; 94:394-7.
5. Al-Harbi SA, Edgin WA, Preservation of soft tissue contours with immediate screw-retained provisional implant crown. J Prosthet Dent 2007; 98:329-32.

CONGRESS ABSTRACTS

1. Garcia LT, Al-Harbi SA, Lang L, Bhooncamp D. The Effect of Denture Adhesive on Mandibular Complete Denture Retention. A Move Track Study. J Dent Research.
2. Accuracy of Implant Placement with Stereolithographic Surgical Template. AO Meeting, Boston, MI, USA; Feb 29, 2008.
3. Innovative approach using staged tooth extractions for accurate implant placement in immediate hybrid restorations. World congress 2004, Las Vegas, Nevada, USA.

PUBLIC RADIO'S & TV'S INTERVIEWS

1. A TV report and interview, Rotana Khalijiah TV channel, April 2nd, 2011(in Arabic).
2. TV interview and report on people attitude toward dental services in Saudi Arabia, AlaanTV channel, March 16th, 2009(in Arabic).
3. The status of dental care in Saudi Arabia, LBC TV channel, November 1st, 2008(in Arabic).
4. TV report and a Live interview on computerized dentistry and guided implant placement, Alarabiya TV channel, October 21st, 2008.
5. Dental implant, benefits and limitations, Live TV interview, LBC TV channel Beirut Lebanon, August 13th, 2008(in Arabic).

SAAD A. AL-HARBI

BDS, MSci, FAGD, FICOI, MIPS

PROSTHODONTICS & IMPLANT DENTISTRY

Retal Clinic, Jeddah, KSA

6. Latest advances in dental implant and prosthetic dentistry (a TV's interview during the 2006 AEEDC Dental meeting), Sama Dubai TV channel, Feb 28th, 2006 (in Arabic).
7. The benefit of having dental implant as a replacement of missing teeth, Saudi Radio program 2, September 26th, 2005 (in Arabic).

RESEARCH ACTIVITIES

AS A PRINCIPLE INVESTIGATOR

- IMMEDIATE LOADING OF SINGLE MAXILLARY ANTERIOR IMPLANT WITH A NONOCCLUDING PROVISIONAL CROWN: A PROSPECTIVE STUDY. RETAL CLINIC (2006-in progress).
- EXTRACTION AND IMMEDIATE WIDE IMPLANT PLACEMENT IN MOLAR EXTRACTION SITES: A 5YEAR PROSPECTIVE STUDY.
- ACCURACY OF IMPLANT PLACEMENT WITH STEREOGRAPHIC SURGICAL GUIDE TEMPLATE: A COMPARATIVE STUDY, UTHSCSA& RETAL CLINIC (2006-2008).
- CLINICAL EVALUATION OF IMPLANT-SUPPORTED MANDIBULAR OVERDENTURES IN AN EDENTULOUS POPULATION Immediate Loading of Mandibular Overdentures Supported By Two-Implant Hader Bars: A Clinical Prospective Study UTHSCSA (2003- 2005).
- ACCURACY OF IMPLANT PLACEMENT WITH STEREOGRAPHIC SURGICAL GUIDE TEMPLATE: A CMM PILOT STUDY, UTHSCSA (2004-2005).

SAAD A. AL-HARBI

BDS, MSci, FAGD, FICOI, MIPS

PROSTHODONTICS & IMPLANT DENTISTRY

Retal Clinic, Jeddah, KSA

AS A CO-INVESTIGATOR

- THE EFFECT OF DENTURE ADHESIVE ON MANDIBULAR COMPLETE DENTURE RETENTION. A MOVE TRACK STUDY. UTHSCSA (2005).
- A NOVEL OSTEOINDUCTIVE PROTEIN SYNTHESIZING IMPLANT SYSTEM, UTHSCSA (2004).
- A NOVAL OSTEOTROPIC BIOMATERIAL OG-PLG IV: IN VITRO EFFICACY, UTHSCSA (2003).

EDUCATIONAL ACTIVITY

Participated in many national and international educational activities related to Prosthodontics, dental implant and cosmetic dentistry, some are:

- Esthetic implant rehabilitation: a state of the art overview of complex case management. 5th Bahrain Dental Society Conference, Oct 29th, 2009
- Beyond Osseointegration: Mastering dental implant esthetics Jeddah International Dental Conference, Nov 6, 2008.
- Accuracy of Implant Placement with Stereolithographic Surgical Template Clinical presentation, the Academy of Osseointegration Meeting, Boston, MI, USA; Feb 29, 2008.
- Achieving natural esthetic with dental Implant 2nd Taif Dental Meeting 2006, Taif, Saudi Arabia.
- Optimizing Anterior Implant Esthetics: The soft tissue management. AEEDC 2006, Dubai, United Arab Emirates.
- Immediate Loading of Mandibular Full Arch Fixed Removable Complete Denture: A simplified approach. UTHSCSA.

SAAD A. AL-HARBI

BDS, MSci, FAGD, FICOI, MIPS

PROSTHODONTICS & IMPLANT DENTISTRY

Retal Clinic, Jeddah, KSA

- Diagnosis and treatment planning in implant therapy: AN EVIDENCE BASED APPROACH (2005). Jeddah, Saudi Arabia.
- Innovative approach using staged tooth extractions for accurate implant placement in immediate hybrid restorations. World congress 2004, Las Vegas, Nevada, USA.
- Immediate Loading of Mandibular Overdentures Supported By Two-Implant Hader Bars, UTHSCSA (2004).
- Non-surgical soft tissue enhancement of inter-implant papilla in the anterior maxilla. 2004 ICOI Winter symposium, New Orleans, LA, USA.

AREAS OF INTEREST

1. Immediate implant placement and loading at the time of tooth extraction.
2. Immediate full arch rehabilitation with dental implants.
3. Occlusion of dental implant restoration.
4. Computer guided Implantology.
5. Soft tissue changes upon immediate implant placement and immediate provisional restoration.
6. Dental implants in growing patients and timing of implant placement.
7. Public education.

SAAD A. AL-HARBI
BDS, MSci, FAGD, FICOI, MIPS

PROSTHODONTICS & IMPLANT DENTISTRY
Retal Clinic, Jeddah, KSA

OTHER PROJECTS

Development of Arabic public educational digital video program designed for use in clinics, waiting rooms and websites, explaining different options and stages of implant treatment as well as bone grafting procedures and consequences of tooth loss, in collaboration with Implant Vision, FL, USA.

CONTINUING EDUCATION

OVER 3000 HOURS WITHIN THE LAST 8 YEARS,
RELATED TO PROSTHODONTIC, DENTAL IMPLANT,
IMPLANT BIOMECHANICS, OCCLUSION AND COSMETIC DENTISTRY.

SAAD A. AL-HARBI

BDS, MSci, FAGD, FICOI, MIPS
